

Capital Planning

At Pride Aged Living, we provide objectivity, knowledge and expertise to help you plan, invest in and manage capital initiatives that strengthen your organisation over the long term.

We support organisations across the capital lifecycle — from evaluating investment opportunities to delivering capital developments and managing assets to maximise value over time.

Our hands-on approach and focus on key value drivers help ensure capital initiatives support sustainable financial performance and long-term outcomes.

We help you to:

Make informed capital investment decisions.

Secure funding to support growth.

Build projects that deliver long-term value.

Manage assets to maximise performance.

Take pride in your success

Stephen Rooke
Director

We support aged care providers and retirement living operators with:

Asset Management

We help you manage your property and infrastructure portfolio to maximise long-term value.

Our analysis supports informed decisions about asset performance, capital investment and portfolio optimisation, so your assets continue to support sustainable service delivery over time.

Feasibility Studies

We evaluate potential capital developments before you invest. Our feasibility studies assess demand, affordability and financial viability, so you can proceed with projects that are strategically sound and financially sustainable.

Grants and Funding

We position your projects to attract funding to support your capital initiatives. Our experience with financiers and government grant programs identify funding opportunities and prepare applications.

Why partner with Pride Aged Living?

- As independent consultants, we provide objective analysis to prioritise capital initiatives that deliver long-term value.
- Our detailed analysis and expert recommendations empower decision-makers.
- Our hands-on involvement comes from a depth of experience and extensive involvement in many capital projects.
